

# **School Wide Positive Behavioural Interventions and Supports**

## **Tier 1 Team Training for Schools 2022**

---

**Who is SW-PBIS for?**

**Any schools who want to improve student behaviour, engagement with learning, increase inclusion of students with disability or from diverse backgrounds and improve mental health!**

Dr Sharonne Telfer and Jennifer Payne from Rypple will be providing training to school-based teams to implement School Wide Positive Behavioural Interventions and Supports (SW-PBIS) Tier 1 (supports for all students). This training is offered online in 2022.

We invite School leaders to attend an online information session about the training and how this can work most efficiently in their schools.– click here to register to receive the Zoom link or go to <https://rypple.org.au/events/>

### **What is SW-PBIS?**

**School Wide Positive Behavioural Interventions and Supports is a whole school approach to increasing students social, behavioural, and academic success. It is used by over 30000 schools in the US and around 2000 schools across Australia.**

### **The Center on PBIS describes it this way:**

“Positive Behavioral Interventions and Supports (PBIS) is an evidence-based three-tiered framework for improving and integrating all of the data, systems, and practices affecting student outcomes every day. It is a way to support everyone – especially students with disabilities – to create the kinds of schools where all students are successful.

PBIS isn't a curriculum you purchase or something you learn during a one-day professional development training. It is a commitment to addressing student behavior through systems change. When it's implemented well, students achieve improved social and academic outcomes, schools experience reduced exclusionary discipline practices, and school personnel feel more effective.”

## **What would it look like if we did decide to do SW-PBIS?**

Our 9 session, online training guides school teams through the process of designing their Tier 1 (supports for all students) interventions, and supports for all staff to implement the school-wide system.

- A representative PBIS school leadership team will attend sessions via Zoom, in which they will be guided through the knowledge and resources to build all the Tier 1 systems over the course of one school year.
- The team will get a clear action plan with tasks to complete between each training to build the systems to support all students.
- The team will also get all the resources they need to run “mini PL’s” with their whole school staff.
- During each training day the team will get a clear idea of what to do and how, to implement each of the Essential Components of SW-PBIS. The training is focussed and interactive, with work time within training and a clear list of tasks to complete before the next session.
- We will then support your team through the process of launching SW-PBIS and provide technical assistance and problem solving as required.
- We encourage schools to work in networks as we will be supporting schools with peer coaching (either online or in-person) throughout the training year.

### **Additional training is available.**

**See:** <https://rypple.org.au/services/team-training/> for more information

### **I think this sounds good, but I would like more information...**

- Email us [info@rypple.org.au](mailto:info@rypple.org.au) to schedule a free online information session.
- This session will provide more details about SW-PBIS, training content, time requirements for schools and potential costs.

Training content	Session length	Who should attend
<p><b>Introduction:</b> What is the training, time commitments, what to expect, and costs.</p>	30 minutes	School Leaders, staff interested in leading SW-PBIS
<p><b>Awareness, readiness and planning to get ready.</b> Setting up the Tier 1 Leadership Team</p>	1 hour	Whole school staff
<p><b>ONLINE Tier 1 Training·</b></p> <ul style="list-style-type: none"> <li>• Provision of the Action Plan, Workbook, and additional resources.</li> <li>• Information about, Australian examples of, and work time to design your school’s implementation of the Essential Components of SW-PBIS Tier 1               <ul style="list-style-type: none"> <li>◦ Common Philosophy and Purpose Leadership</li> <li>◦ Define Expected Behaviour – schoolwide expectations, Matrix, Procedures</li> <li>◦ Teach Expected Behaviour</li> <li>◦ Encourage Expected Behaviour</li> <li>◦ Respond to Behaviour Errors</li> <li>◦ Collecting Data efficiently and using it for</li> <li>◦ Data Based Decision Making.
